

2008 Miss Louisiana Preliminaries

Dear Local Director,

On the website you will find the local preliminary forms for the upcoming pageant season, which will lead to the crowning of your State Representative for 2008.

All forms needed to conduct your preliminary are on the website including the judges score sheets, forms, and the computerized scoring program which you are required to use. **Please print and review ALL documents, as there are changes.** If you have any problems opening or printing the files please contact Shannon or me and we will assist you.

Everyone should have the **NAMASP Judges Orientation** disc from last year. It continues to be a Miss America and a Miss Louisiana Franchise requirement to show this video during your judge's orientation.

ALL forms are due within seven days (7) after your pageant. Please mail your sealed score sheets and other required pageant documents as soon as possible to the Miss Louisiana post office box.

I wish you the very best and a successful local preliminary pageant and look forward to working with you in the upcoming year. Please contact me if you have any questions. I may be reached at
