SCORING IN TALENT

The Talent phase of competition provides an insight into the contestant's preparatory and performance skills. Consideration is given to whether the contestant's talent selection fits these skills and her personality. The Talent competition acknowledges the quality of the talent being presented, the technical skill level, and the stage presence of the contestant.

Each contestant is competing against herself and **MUST** receive a score in a ***1 to10** point range for all **Preliminary Nights of a Multi-Night Competition** and a ****6 to 10** point range for the **Final Night of Competition**, using whole numbers only. More than one contestant may receive the same score.

CRITERIA FOR SCORING TALENT

Overall "first impression": technical skill level; entertainment value; stage presence; and will you be proud you selected this young woman when she performs her talent if she is selected as the titleholder?

If you make a change or erasure on your score sheet, please initial it. When you have finished, hand your score sheet to the Judges' Chair.
